

CV/RESUMÉ: STUART ALLT

Aallonhuippu 12 B 13, 02320 Espoo, Finland

Tel: +358 (0)50 593 2544

IN BRIEF

Prior to founding a successful Web development company Stuart Allt held seminars on "the effective conduct of business in an international environment" for companies including Nokia and ABB as well as Finnish parliament. He has also led a team to successive record monthly sales for TNT, a leading British travel magazine. Stuart Allt is widely travelled and has enjoyed success in the United States, Australia, Japan, the United Kingdom, Scandinavia and Africa. He has a strong appreciation of cross-cultural differences, communicates and works effectively with people at all levels, possesses strong marketing skills and is proficient in graphic design and Web site authoring.

Mr. Allt holds a degree in psychology and industrial relations from the University of Sydney, and has dual Australian/United Kingdom citizenship.
